A venue full of character

Whether you are planning a gala celebration, a luxurious affair or an intimate family gathering, we have the perfect venue to host your special day. Ali Barbour's offer three very different venues, each with its own unique atmosphere and character.

FLAMBOYANT

Set in a lush tropical garden, Flamboyant graces the turquoise waters of the Indian ocean it overlooks. Close to shore is a hemline coral reef that creates an ambient calm and serenity in all weather conditions. Flamboyant is family owned and managed, offering "All-Inclusive" services and special one on one personal attention from its dedicated staff. Great attention to detail has been included in order to ensure the well-being of its clients.

The ultimate treat is to take exclusive use of our family home for the day. This allows you to extend the celebration through to the following morning, giving you more time to catch up with family and friends over a breakfast in the fragrant garden. In addition to our two honeymoon suites with stunning ocean views, we offer eight air conditioned en-suite bedrooms, providing a relaxing alternative to a long drive home. We can accommodate up to 20 guests in a combination of twin, double and family rooms, with views of the Indian Ocean, our inviting pool and the beautiful garden.

ALI BARBOUR'S CAVE RESTAURANT

Dine beneath a star-filled night sky with a sense of style, flair, extraordinary levels of service and comfort and genuine hospitality.

The restaurant is situated in a unique environment, 10m below ground inside an ancient, naturally sculptured coral cave. With Ali Barbour's intimate ambience, it is ideal for a smaller formal wedding celebration for up to 60 guests. No detail will be forgotten and tables will be beautifully laid with gleaming cutlery and candelabras.

FORTY THIEVES BEACH BAR

Kick off your shoes on a pristine beach. Sip some wine, gaze over the ocean and indulge in amazing surroundings! Relax and savour the sensation of waves lapping your toes.

As the only beach bar venue, Forty Thieves provides everything you need for a beach wedding ceremony right on the powdery white sand. So that you can exchange vows just steps from the shore. Afterwards, your photographer captures shots of the two of you walking off down a glorious beach, while friends and family begin the party. This is an experience – in an unusual and informal Forties way.

Suggested Bar service:

FREE BAR

Drinks are dispensed free of charge to your guests, with you picking up the full bar tab at the end of the event. This is designed for trade shows, weddings or perhaps events for important clients whom you wish to entertain.

CASH BAR

Just like being at your local bar, everyone pays for their own drinks. This is designed primarily for public events where you have no control over the amount of drinks that will be consumed, or for staff parties if your budget doesn't run to a free bar. All drinks are reasonably priced.

LIMITED FREE BAR

You can always place a set amount behind the bar. We will dispense drinks up to the limit you have set. Once this is reached you can either put additional funds behind the bar, or we can revert to a standard cash bar operation.

Outside Catering

Ali Barbour's offer the complete solution to provide a fine dining experience wherever and whatever the location. Whether you are throwing a dinner party for friends at home, planning a relaxed summer garden party barbecue, pigging out with a bountiful Pig Roast or hosting a lavish themed wedding or business reception for hundreds of guests in a marquee, our blend of experience, planning and attention to detail ensures a successful occasion every time!

You have the flexibility of creating your own menu should you wish, alternatively, let us know your desired budget per person and we will come up with some mouth watering suggestions. We are available without obligation to meet and discuss the finer points of your plans, view the intended venue and offer advice where we can. Through selected partnering we can also help with the hiring of a marquee and the provision of a mobile bar, please ask for further details.

Make your day extra special...

We would like to introduce you to SKIZA, the Ali Barbour's official charity.

SKIZA aims to increase the quantity and quality of educational institutions for children in the rural areas of Kenya. SKIZA is organized to provide tools for learning, self-sufficiency and sustainability in distressed communities in the Kwale District.

SKIZA works with local schools and youth groups, utilizing MUSIC, ART, SPORTS, FASHION, EDUCATION AND INFRASTRUCTURE DEVELOPMENT to empower communities and cultivate a change. Your dream wedding could also contribute to making our SKIZA School's dreams come true! By celebrating your wedding in SKIZA style, your special day could change the lives of the communities within which we work.

Choose from the following list of wonderful SKIZA options that our kids have to offer: Specialized Table Settings and Personalized Name Cards and Gifts for your guests designed by the kids using recycled and re-purposed material. Our music and drama groups can be made available to perform songs and poems especially for you. Alongside our School Development Projects, we have also established a community based initiative: SKIZA Fashion. Equipping local tailors with the skills they need to keep up with the international fashion market.

"I am Sylvia, and I am 11. I made some beautiful Name Cards and a Big Table Decoration with lobster cages, flowers and coral with my School Art Group for the wedding. We used Driftwood and Seashells and they looked so very beautiful. And I learn about recycling. Then, we also met the bride, she was very beautiful. And she said thank you and asked for us to say poems about 'love' and we did. Now because we made the things for her wedding she is giving our school money for a new blackboard for our classroom. I think SKIZA wedding is very good thing"

All proceeds of the SKIZA wedding options go straight into our school projects. So you and your guests are welcome to visit them and meet the kids responsible for your colourful, creative, one of a kind wedding piece.
